¹ Numbers of undergraduates may not equal figures reported in other tables, since these data are based on a sample survey. Includes all postsecondary institutions.² Includes students who reported they were awarded aid, but did not specify the source or type of aid.³ Details on federal and nonfederal work study participants are not available.⁴ Excludes persons not reported by race/ethnicity.⁵ Includes students who were single, divorced, or widowed.

NOTE: Rows may not sum to totals due to rounding and/or the fact that some students receive aid from multiple sources. Data include undergraduates in degree-granting and nondegree-granting institutions. Standard errors appear in parentheses.
